Book Nook Competition

Book Nooks are a diorama in a small box. Inside is a scene representing a favourite book. The idea is that they are placed on a bookshelf for an interesting display. A plastic bottle could also be used to hold the diorama. Scan the QR codes below for more information on how to make them. Upload a photo of your book nook to the Learning from Home website to enter the competition.

Bake a Book

Create a culinary creation inspired by curious characters.

See pictures below for inspiration.

Take a photo before you eat it and upload it to the Learning from Home website.

Create a toilet roll character

Can you make the humble toilet roll into your favourite character from a book? See the examples below. Can you guess who they are? Upload a photo of your creation to the Learning from Home website.

Book Face

Bookface is another fun book photo craze. It works by taking a self portrait using the cover of a book in place of your face or body part. This can be tricky and you might need help to line it all up. I have shared a few samples below. Upload your Bookface photo on the Learning from Home website.

Author Interview

It is a special experience to be able to sit in a room and listen to the inspirational words of great authors and illustrators. The link below opens a page of author and illustrator chats for you to choose from and watch. To complete this task, share something that inspired you from one of the author/illustrators chats. Or, share the name of an author/illustrator you would love to hear talk in the future and why. Upload your work to the Learning from Home website.

Premier's Reading Challenge

Premier's Reading Challenge closes: September 3, 2021

Instructions to record your books are shown on the school Learning from Home website (PRC tab).

Rule changes have been applied to assist us with our reading challenge during lockdown.

ALL students, not just K-2, can log books that have been read to them ... check out the Storybox Library platform in activity two, search NSW PRC and use the filters at the left side to find books for your age group. ALL students are allowed to log 10 choice books (books that are not officially on the Premier's Reading Challenge list or are books that are in lists below your age group).
